product

The LVT stair noses offer a durable and practical solution for staircase renovations, creating a smooth and seamless transition between levels. They are scratch and wear resistant, waterproof, easy to install and to maintain, making them a perfect choice for any interior. The LVT stair nose is crafted from Zenn Click Comfort 55 planks and tiles and features the same design (available in 8 wood and 4 tile decors) and structure as the flooring, including the integrated underlay.
