

# DPL stair nose. technical datasheet

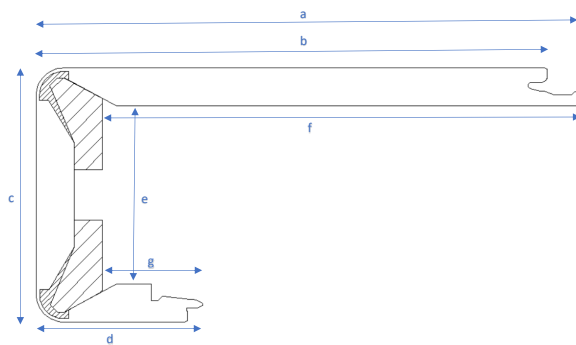

BERRY  ALLOC

10/2025

## product

The DPL laminate stairnose is crafted from our laminate flooring, perfectly matching the DPL designs. It's intended for closed staircases in a domestic setting, and ensures a smooth and strong connection with Ocean 8 V4 on the stair tread.

dimensions	a	b	c	d	e	f	g	length	weight
1 stair nose (mm)	115	108	59.2	35	44	92	20	1200	1,7 kg

## packaging

	contains	length	width	height	weight
1 pack stair nose	2 pieces	1217 mm	123 mm	73 mm	3,6 kg

Minimum order quantity: 1 pack of 2 stair noses. The order should be completed with the matching Ocean 8 V4 flooring (for stair tread and stair riser if needed), and one tube of Hydro+ glue (ref. HPGLUE) per stair nose.

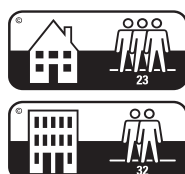

## installation
